Hi. I got the stuff you ~~sent~~ sent me. I really don't need detangling spray, so I'm guessing it was for Chloe. Her cabin is giant! Fourteen campers, seven counstlers, and a CIT. She was telling me that being on the top bunk is cool, because it is like she's still at home. We talk at every meal, ~~at every meal~~ today when we were finished bussing our tables, we danced together to the bussing music. You could have seen me, by the way. You just had to talk to Alex, the unit head. What ~~am~~ am I doing in the pictures? I remember there was a picture taken of me and some other people ~~with~~ by the tower, but that's it. Three or four of Chloe's counstlers are people I've had before, which is awesome. One of them, Iana, ~~was~~ could tell that she was my sister before they even knew I had a sister. By the way, I don't know if you're getting these bunk replies or the actual letter I sent, so when you write me back just let me know. And also, write me back more! Seriously, it's fun to get mail every day or every other day. Oh and guess what? I am in the first ever Kalsman football chug, and I witnessed the first ever goal, the second ever goal, and the first ever game. It was a tie. I already used up one camera, so I might need another one soon. Ok, that's it, byeeeeeee.

P.S. A gummy bear, according to you, he wanted a meatier n shower, and well armed
